your villa on a private
island in one of the
world's most beautiful
locations

**THE VILLAS AT
SAPPHIRE BAY RESORT**

The ultimate luxury reserved
for the privileged few

If you like Bali, you'll love Lombok, it's everything that Bali was – unspoilt and undiscovered but quiet and peaceful.

Imagine waking up to the sound of the blue-green ocean or walking barefoot on the beautiful pristine beaches of your own private island.

Sapphire Bay Resort, the ultimate in luxury and opulence reserved for the very few. It's everything you ever dreamt of in a holiday home.

Join an elite club and experience the world's most beautiful five-star resorts. With an unmatched personal service, complete with exclusive concierge, private pools, hot tubs, gourmet kitchens and more, these are just a few of the many luxuries you can enjoy.

Ownership comes with a world of privileges

Investing in our resort provides you membership to one of the world's best resort exchange programs and allows you to stay at some of the finest private residences at the world's most exclusive destinations, usually reserved for the privileged few.

You choose how you want to use your club villa

Whether you're seeking short-term or long term access to our collection of residences, Sapphire Bay Resort can customise the investment to suit the discriminating tastes of all travelers.

Sweet rewards you'll want to return for more

Every villa comes with a **Guaranteed 8% ROI** through our rental programme for the first 4 years, and the opportunity to recover over 30% of your initial investment. The villa offering which includes a non-binding \$5000 reservation agreement to be signed will enable a discerning few to use, rent or speculate as they see fit.

The villas at Sapphire Bay,

One of a kind.
Exclusive. Luxury.
Unique.

Sapphire Bay Resort is located in Gili Asahan, a private Island paradise just off Lombok and close to Bali that is proud of its untouched natural settings. Accessed only by boat or helicopter, it will be the first and only “over the water” development to be built in Indonesia, providing customers the opportunity to own a piece a private Island. Our aim is to set the standards for a “once-in-a-lifetime” holiday experience every time.

Indulge in an abundance of luxury facilities

Designed for the most discerning

We've thought of every little detail to make your stay comfortable and memorable. Sapphire Bay Resort, luxury redefined.

5 Star Luxury surrounded by the most beautiful scuba, snorkle and surfing in Indonesia.

Your own private Island resort comprised of the romantic over the water villas, all featuring private swimming pools. We respect our guests' privacy while still offering all the personal services such as a butler service, private transportation and customised services; all delivered in a professional and discreet manner.
